Pinot Gris

Marlborough New Zealand 2020

—
Sustainably Grown

Harvest & Winemaking notes:

An epic vintage quality wise but Covid-19 made harvest 2020 extremely challenging. A warm, dry season with cool nights, typical of Marlborough, led to good acid levels. The season produced pristine fruit with beautifully ripe flavours. After a long, cool fermentation, the wine was aged on fine yeast lees for 8 weeks to allow the natural texture of the wine to develop.

Winemaker: Sanna Stander

Tasting notes:

A mouth quenching, dry pinot gris filled with aromas of pear, fennel bulb and feijoa. The palate has a crunchy, crisp texture and has great drive. Flavours of quince, green olive martini and touches of vanilla bean come through with a crack of rock salt on the finish.

Sip solo and pair with Asian fare.
