Pinot Gris

Marlborough New Zealand 2021

Sustainably Grown | Vegan Friendly

Harvest & Winemaking notes:

Crops were down due to early spring frosts and a cold, wet flowering period. Summer was incredibly dry and this led to an early harvest. The fruit quality was outstanding and wines from the 2021 vintage might just be exceptional. The wine went through a long, cool fermentation in stainless steel tank.

Winemaker: Sanna Stander

Tasting notes:

A dry, fresh and succulent pinot gris filled with aromas of toffee apple and mandarin peel. The palate has a crunchy, crisp texture and has great balance. Flavours of apple strudel, toasted vanilla, Mediterranean herbs and fennel come through with almond and green olive notes and a crack of rock salt on the finish.

Sip solo or pair with Asian fare.
