Harvest & Winemaking notes:

With a long drawn-out summer, without excessive heat waves, our grapes were allowed to gain physiological ripeness at lower than normal sugar levels. Our harvest decisions were made purely on flavour rather than brix levels. The wines are light on their feet with expressive aromatics, great energy, and fresh lively acidity with a tight structure on the palate. The wine went through a long, cool fermentation in stainless steel tank.

Winemaker: Sanna Stander

Tasting notes:

A refreshingly dry pinot gris, filled with expressive aromas of Lily of the valley, biscotti, pear, and almond. The palate is well-balanced with mouthwatering acidity. Flavours of pine nut and pretty florals of Mexican orange blossom come through with Honeydew melon and cucumber on the finish.

Sip solo or pair with Asian fare.
