

# Pinot Noir

Marlborough New Zealand 2024

Sustainably Grown

## Harvest & Winemaking notes:

Sourced from the Southern Valleys, this pinot noir went through fermentation in open top fermenters, with 15% whole bunch and was hand plunged. Aged with French oak.

**Winemaker: Sanna Stander**

## Tasting notes:

The bouquet has lifted aromas of vanilla bean and wild thyme outfitted with red berry fruits and a savoury earthiness. The palate has bright red cherry flavours interlaced with forest floor, cranberry and bramble nuances. The Focused frame and toasty backbone are Balanced with rounded tannins.

Beautiful with rich game dishes.

## Analysis:

|            |                           |
|------------|---------------------------|
| SUB-REGION | Southern Valleys          |
| SOIL TYPE  | Windblown loess over clay |
| VARIETIES  | Pinot Noir                |
| PH         | 3.50                      |
| TA         | 5.5 g/l                   |
| RS         | 2g/l                      |
| ALCOHOL    | 13.5%                     |
