THE SEASON

The 2026 growing season in Marlborough was defined by near-perfect conditions. A warm spring delivered perfect, event flowering and the warm sunny days paired with cool nights throughout February and March created ideal ripening conditions, allowing the grapes to develop concentrated flavours while preserving freshness and vibrant acidity.

HARVEST

Grapes were harvested in the very early morning from each vineyard to retain freshness and purity.

WINEMAKING

This Rosé was pressed off skins early and fermented cold in stainless steel to accentuate fruit purity. The wine was then aged on fine yeast lees for five months to gain complexity, salinity, and increased mouthfeel.

TASTING NOTES

Pale pink in colour, this Mediterranean style Rosé is savoury with aromas of white rose and freshly-cut watermelon, pink grapefruit, and sea spray. The palate is salivating, with crushed red berries, sherbet, and a lick of Pink Himalayan Salt. This sophisticated Rosé is enticing, has high energy and finishes with a mouth-watering and dry finish.
